2023 PROGRAM

Jules C. Frankel was a long time member of CAI and was a key figure in the success and growth of our chapter. Jules was President of the New Jersey chapter in 2000. Jules also received the following awards from CAI-NJ: Speaker of the Year in 2003, Author of the Year in 2004 and the Jerry Fien Distinguished Service Award in 2015. Jules was inducted in the CAI-NJ Hall of Fame in 2003. Jules was a staunch advocate for manager education and training and was always willing to help with seminars and industry educational programs.

The Jules C. Frankel Manager Education Assistance Program (MAP) was developed to assist New Jersey managers in the common interest community industry in furthering their educational and professional development goals. The MAP provides the opportunity to any CAI-NJ manager member in good standing to apply for a scholarship.

CAI-NJ will provide a fifty percent (50%) reimbursement per course to selected managers for any of the 100, 200, or 300 courses offered by CAI. More than one award may be given per applicant.

All awards must be approved by the CAI-NJ Board of Directors. Accordingly, a submission does not guarantee any applicant assistance. Awards are at the sole discretion of the CAI-NJ Board of Directors.

Please review the attached guidelines and application. If you have any questions, please contact the CAI-NJ office at 609-588-0030 or info@cainj.org
