

NEW JERSEY CHAPTER PCAMS

PCAM (Professional Community Association Manager) is a designation awarded to managers who have five years of direct community association management experience, successfully completed all six M-200 level courses, and successfully passed the CMCA examination administered by CAMICB. and complete the PCAM Case Study Course to be awarded the designation. This list is provided by CAI National and is valid as of December 31, 2020. The New Jersey chapter is proud to acknowledge our manager members who have earned the PCAM designation!
