

2021 EDUCATION PROPOSAL

CAI-NJ is now accepting proposals for sponsored speakers for both the Roundtable Discussions and the Lecture Series. Until further notice all educational programming will be held virtually.

Complete this form in its entirety and return it to jaclyn@cainj.org. You may submit a proposal anytime during 2021 however, it is recommended that you do so as early as possible before all opportunities are filled. Please use an additional sheet if necessary. All speakers must be members in good standing of CAI-NJ. Please note, all presentations must be educational, not advertorial.

Speaker selections are at the discretion of the CAI-NJ chapter office. If selected, all presenters must complete a speakers bureau application that will remain on file with the chapter office. Payment will be due upon selection and scheduling of topic.

Roundtable Discussion (\$500 Sponsorship)

Each Roundtable is approximately 1.5 hours and will feature five companies per session. Each company will have their own virtual room in which homeowner and manager participants will rotate through in 15 minute segments with 5 segments per event. Sponsors will discuss the assigned topic with each group and have the opportunity to answer questions related to their topics.

Lecture Series (\$750 Sponsorship)

Each Lecture Series is approximately 1 hour long and will feature only the selected sponsor. The Lecture Series can consist of more than one speaker and the sponsorship cost may be shared. Speakers will have approximately 45 minutes of presentation time to educate the registrants on the selected topic followed by 15 minutes of Q&A.

I am submitting a proposal for the following CAI-NJ education:

- Roundtable Discussion (\$500 Sponsorship)
- Lecture Series (\$750 Sponsorship)
- I would like to be considered for either type of sponsorship
