

## **CAI-NJ Event Reopening Guidelines (Precautionary measures)**

### **4.1.21**

**PURPOSE:** The established guidelines will allow our members to comfortably attend outdoor and at a future date to be determined, indoor in-person events while ensuring the safety of our organization's membership, as well as mitigate the financial and legal exposure of the organization to acceptable levels as determined by the CAI-NJ Board of Directors. These guidelines are subject to change, based on the Governor's Executive Orders for event reopening. These guidelines will be the basis of an *Event Checklist*, which must be completed at the initial planning of all in-person chapter events and followed throughout the event.

It is the expectation of the CAI-NJ Board of Directors and employees, that all attendees adhere to these guidelines and conduct themselves responsibly when attending chapter events. Non-adherence will result in being asked to leave the event and potentially being banned from future events at the discretion of the CAI-NJ Board of Directors.

#### **Required:**

- Social distancing
- Accessibility of hand sanitizer
- Face masks
- Temperature checks
